

### Product Group COM

Sight plugs with chrome-/nickel-coloured metal cover for oval tubes

#### Standard Colours

- chrome-/ nickel coloured

#### Material

- Polyethylene (PE)

### Product information

- Chrome-/nickel-coloured metal cover:
- The metal cover features normally has some play to the plug.
- The metal cover is conditionally scratch-resistant and is not considered to be high-gloss nickel-plated.
- The metal cover has limited corrosion resistance (outdoor application + humidity).
